The e-voting module shall be disabled by CDSL for voting thereafter.
 - (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
 - (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level. Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. - (a) The committee shall ensure that the level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors of the quality required to run the Company successfully;
- (b) The committee shall also ensure that the relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- (c) The committee shall also ensure that the remuneration to directors, key managerial personnel and senior management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

The Key Objectives of the Committee are:

- (a) To guide the Board in relation to appointment and removal of directors, key managerial personnel and senior management.
- (b) To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation.
- (c) To recommend to the Board on remuneration payable to the directors, key managerial personnel and senior management.

VIGIL MECHANISM

The Company has established a Vigil Mechanism that enables the Directors and Employees to report genuine concerns. The Vigil Mechanism provides for (a) adequate safeguards against victimization of persons who use the Vigil Mechanism; and (b) direct access to the Chairperson of the Audit Committee of the Board of Directors of the Company in appropriate or exceptional cases. Details of the Vigil Mechanism policy are made available on the Company's website www.inertiasteel.com

DIRECTORS' RESPONSIBILITY STATEMENT:

Pursuant to the requirement under Section 134(3)(c) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, the Directors state that:

- (a) in the preparation of the annual accounts for the year ended 31st March, 2021, the applicable accounting standards have been followed along with proper explanation relating to material departures, if any;
- (b) the directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the financial year and of the profit of the company for that period;
- (c) the directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of this Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- (d) the directors have prepared the annual accounts on a going concern basis;
- (e) the directors, have laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and were operating effectively; and
- (f) the directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

INTERNAL FINANCIAL CONTROL SYSTEMS:

The Company has in place adequate internal financial controls with reference to financial statements. During the year under review, such controls were operating effectively and no reportable material weakness in the design or operations were observed.

AUDITORS:

At the 33rd Annual General Meeting held on 27th September, 2017, M/s. Agrawal Chhallani & Co., Chartered Accountant, ICAI Firm Registration No. 100125W, Nagpur, were appointed as the Statutory Auditors of the Company to hold office till the conclusion of 38th Annual General Meeting subject to ratification of the appointment by the members at every annual general meeting to be held during their tenure.

However, the Companies (Amendment) Act, 2017 vide Notification No. S.O. 1833(E) dated 7th May 2018 has omitted the proviso to Section 139(1) of the Companies Act, 2013 which requires ratification of the Appointment of Auditor at every AGM. Therefore, in view of the deletion of the said proviso, ratification of the appointment of Auditors by the Members of the Company is no longer needed.

COMMENT ON AUDITORS' REPORT:

The Report of Auditors of the Company and the notes forming part of the financial statements are self-explanatory and hence requires no explanation from the Board of Directors. The Auditors' Report does not contain any qualification or reservation or adverse remark.

REPORTING OF FRAUD BY STATUTORY AUDITORS:

As per the provision of Section 143(12) of the Companies Act, 2013 read with Rules made thereunder, no fraud on or by the Company has been noticed or reported by the Statutory Auditors.

SECRETARIAL AUDITOR & THEIR REPORT:

Pursuant to the provisions of Section 204 of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board has appointed M/s. R. A. Daga and Co, Practising Company Secretary, Nagpur to conduct Secretarial Audit for the financial year 2020-21. The Secretarial Audit Report for the financial year ended 31st March, 2021 in Form MR-3 is attached as "*Annexure I*" and forms a part to this Report. The comments of the Board on the observations of the Secretarial Auditors are given in "*Annexure II*".

COST RECORD / AUDIT:

During the year under review, the Company does not fall within the provisions of Section 148 of Companies Act, 2013 read with Rules made thereunder, therefore, the requirement of maintenance of cost records are not applicable.

CORPORATE GOVERNANCE REPORT:

As per the requirement of the latest SEBI Circular No. CIR/CFD/Policy Cell/7/2014 issued on 15th September, 2014, the listed companies having paid up equity share capital not exceeding Rs. 10 Crores and Net Worth not exceeding Rs. 25 Crores, as on the last day of the previous financial year is not required to comply with the norms of the Corporate Governance Report.

Since, the Paid-up Equity Share Capital of the Company is Rs. 24,88,000 and Net Worth is of Rs. 22,45,034/- as on Financial Year ending 31st March, 2021, therefore, the provisions relating to Corporate Governance Report are not applicable to the Company.

VOTING RIGHTS OF EMPLOYEES:

During the year under review, the Company has not given loan to any employee for purchase of its own shares as per Section 67(3)(c) of Companies Act, 2013, therefore, the disclosure as per Rule 16(4) of Companies (Share Capital and Debentures) Rules, 2014 are not applicable.

DISCLOSURE REGARDING ISSUE OF EMPLOYEE STOCK OPTIONS:

The Company has not issued any shares under Employee's Stock Options Scheme pursuant to provisions of Rule 12(9) of Companies (Share Capital and Debenture Rules, 2014), therefore, the disclosure regarding issue of employee stock options are not applicable.

DISCLOSURE REGARDING ISSUE OF SWEAT EQUITY SHARES:

During the year under review, the Company has not issued any Sweat Equity Shares pursuant to provisions of Section 54 of Companies Act, 2013 read with Rules made thereunder.

MATERIAL CHANGES & COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY:

No material changes and commitments affecting the financial position of the Company have occurred between the end of the financial year and at the date of this Boards Report.

CORPORATE SOCIAL RESPONSIBILITY:

Since, the Company does not fall under the criteria provided under Section 135(1) of Companies Act, 2013 read with Rules made thereunder, therefore, the constitution of Corporate Social Responsibility Committee and statement on Corporate Social Responsibility as per Section 134(3)(o) of Companies Act, 2013 are not applicable.

INDEPENDENT AUDITORS' REPORT

To,
**The Members of
Inertia Steel Limited**

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of **INERTIA STEEL LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2021 and its Profit including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Financial Statements of the current year. These matters were addressed in the context of our audit of the Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How our audit addressed the key audit matter
1) Revenue Recognition	

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the proceeds are being received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duties collected on behalf of the Government.

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably.

Revenue from sale of services is recognised as per the terms of the contract with buyer based on stage of completion when the outcome of the transactions involving rendering of services can be estimated reliably. Percentage of completion method requires the Company to estimate the services performed to date as a proportion of the total services to be performed.

Additionally, the Revenue accounting standard contains disclosures which involve collection of information in respect of disaggregated revenue. Accordingly, it has been determined as a key audit matter.

Refer Note no. 1(C)(VI) and 11 to the Financial Statements.

Our audit procedure included, among others:

- Assessing the Company's processes and controls for recognizing revenue as part of our audit. Our audit approach included testing of the controls and substantive audit procedures, including:
 - Performing detailed transaction testing by checking of individual revenue items from order to sales invoices and subsequent cash receipt;
 - Performing sales cut-off testing immediately before and after the year end by testing sales invoices to completion of work to ensure that revenue had been recognised in the correct accounting period;

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the management discussion and analysis and director's report included in the annual report but does not include the Financial Statements and our auditor's report thereon.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the state of affairs (financial position), profit (financial performance including other comprehensive income), cash flows and the statement of changes in equity of the Company in accordance with the accounting principles generally accepted in India, including Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Act read with relevant rules issued thereunder.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibility for the audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act,

AGRAWAL CHHALLANI & CO.

CHARTERED ACCOUNTANTS,
51/A, GROUND FLOOR, NEW COLONY,
BEHIND CHHAONI POLICE CHOWKY,
NAGPUR-GPO-440001, Ph.2595653,2595750.

we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143 (3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (Including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;

BEHIND CHHAONI POLICE CHOWKY,
NAGPUR-GPO-440001, Ph. 2595653, 2595750.

- d. In our opinion, the aforesaid Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with relevant rules thereunder;
- e. On the basis of the written representations received from the directors as on 31st March, 2021 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the Company has not paid any remuneration to its directors during the year.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position.
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
2. As required by the Companies (Auditor's Report) Order, 2016 (the Order) issued by the Central Government of India, in terms of Section 143(11) of the Act, we give in "Annexure B" hereto, a statement on the matters specified in paragraphs 3 and 4 of the Order.

"ANNEXURE A" TO INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1 (f) under 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of Inertia Steel Limited on the financial statements for the year ended 31st March, 2021)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Inertia Steel Limited ("the Company")** as of 31st March, 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

NOTE: 1

A CORPORATE INFORMATION

Inertia Steel Limited ("the Company") is domiciled and incorporated in India under the provision of the Companies Act, 1956 and its shares are listed on the Bombay Stock Exchange ('BSE'). The registered office of the Company is situated at 422, Tulsiani Chambers, Nariman Point, Mumbai - 400021, Maharashtra, India.

The Company is Primarily engaged in Trading of Goods/Provision of Services.

The financial statements of the Company for the year ended 31st March, 2021 were approved and adopted by the Board of Directors in their meeting held on 31st May, 2021

B BASIS OF PREPARATION AND PRESENTATION OF FINANCIAL STATEMENTS:

The financial statements of the Company have been prepared on a going concern basis and to comply with the Indian Accounting Standards (Ind AS), including the rules under the relevant provisions of the Companies Act, 2013.

The financial statements have been prepared on a historical cost basis except certain financial assets and liabilities measured at fair value:

Financial Statements are presented in Indian rupees (Rs.), which is the Company's functional and presentation currency.

C SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(I) CASH AND CASH EQUIVALENTS:

Cash and cash equivalents in the balance sheet comprise cash at banks, on hand, cheques in hand, and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above, net of outstanding bank overdrafts as they are considered an integral part of the Company's cash management.

(II) FINANCIAL INSTRUMENTS:

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

(i) Financial Assets -Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortised cost. Purchase and sale of financial assets are recognised using trade date accounting.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

(ii) Financial Assets -Subsequent measurement

a) Financial Assets carried at amortised cost (AC)

Financial assets are measured at amortised cost if it is held within a business model whose objective is to hold asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at fair value through other comprehensive income (FVTOCI)

Financial assets are measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling of financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

c) Financial Assets measured at fair value through profit and loss (FVTPL)

A financial asset which is not classified in any of the above categories is measured at FVTPL.

(iii) Financial Assets - Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i. e. removed from the Company's balance sheet) when:

- a) The rights to receive cash flows from the asset have expired, or
- b) The Company has transferred its rights to receive cash flow from the asset.

(iv) Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 months ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(v) Financial Liabilities - Initial recognition and measurement

All financial liabilities are recognised initially at fair value, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

(vi) Financial Liabilities - Subsequent measurement

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(vii) Financial Liabilities – Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another, from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit and loss.

(viii) Reclassification of Financial Assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are equity instruments and financial liabilities. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business model are expected to be infrequent. The Company's management determines change in the business model as a result of external or internal changes which are significant to the Company's operations. Such changes are evident to external parties. A change in the business model occurs when the Company either begins or ceases to perform an activity that is significant to its operations. If the Company reclassifies financial assets, it applies the reclassification prospectively from the reclassification date which is the first day of the immediately next reporting period following the change in business model. The Company does not restate any previously recognised gains, losses (including impairment gains or losses) or interest.

(ix) Offsetting of Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

(III) FAIR VALUE MEASUREMENT:

The Company measures financial instruments at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy.

(IV) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS AND COMMITMENTS

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event. It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognised. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

(V) CURRENT AND NON-CURRENT CLASSIFICATION:

The Company presents assets and liabilities in statement of financial position based on current/non-current classification.

The Company has presented non-current assets and current assets, non-current liabilities and current liabilities in accordance with Schedule III, Division II of Companies Act, 2013 notified by Ministry of Corporate Affairs (MCA).

An asset is current when it is:

- a) Expected to be realised or intended to be sold or consumed in normal operating cycle.
- b) Held primarily for the purpose of trading
- c) Expected to be realised within twelve months after the reporting period, or
- d) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting date

All other assets are classified as non-current

A liability is current when it is:

- a) Expected to be settled in normal operating cycle
- b) Held primarily for the purpose of trading
- c) Due to be settled within twelve months after the reporting period, or
- d) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are treated as non-current.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash or cash equivalents. Deferred tax assets and liabilities are classified as non-current assets and liabilities. The Company has identified twelve months as its normal operating cycle.

(VI) REVENUE RECOGNITION:

Sale of Goods and Services:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured regardless of when the proceeds are being received. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes and duties collected on behalf of the Government.

Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods and the amount of revenue can be measured reliably.

Revenue from sale of services is recognised as per the terms of the contract with buyer based on stage of completion when the outcome of the transactions involving rendering of services can be estimated reliably. Percentage of completion method requires the Company to estimate the services performed to date as a proportion of the total services to be performed.

Interest Income:

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Dividend

Dividend income is recognised when the right to receive dividend is established

(VII) EARNING PER SHARE

Basic earnings per share is computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

(VIII) INVENTORY

Inventories are valued at lower of cost and net realisable value. Cost of Inventories comprise costs of purchase and other costs incurred in bringing the inventories to their present condition and location. Net realisable value is the estimated selling price in the ordinary course of business less necessary costs to complete the sale.

(IX) TAXES ON INCOME

Tax expense represents the sum of current tax (including MAT and income tax for earlier years) and deferred tax. Tax is recognised in the statement of profit and loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income, in such cases the tax is also recognised directly in equity or in other comprehensive income. Any subsequent change in direct tax on items initially recognised in equity or other comprehensive income is also recognised in equity or other comprehensive income.

Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that future taxable profits will be available against which those deductible temporary differences, carry forward tax losses and allowances can be utilised. Deferred tax assets and liabilities are measured at the applicable tax rates. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

MAT Credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

- (X) Other Accounting Policies are consistent with Generally accepted accounting practices.**

D SIGNIFICANT ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

i. Tax:

The Company reviews at each balance sheet date the carrying amount of deferred tax assets. The factors used in estimates may differ from actual outcome which could lead to an adjustment to the amounts reported in the financial statements.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

ii. Contingencies:

Management has estimated the possible outflow of resources at the end of each annual financial year, if any, in respect of contingencies / claim / litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

iii. Recoverability of Trade Receivable:

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment. Company has also taken into account estimates of possible effect, (which are not material) from the pandemic relating to COVID-19.

iv. Provisions:

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability require the application of judgement to existing facts and circumstances, which can be subject to change. Since the cash outflows can take place many years in the future, the carrying amounts of provisions and liabilities are reviewed regularly and adjusted to take account of changing facts and circumstances

v. Fair value measurement of Financial Instruments:

When the fair value of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the Discounted Cash Flow (DCF) model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

vi. Estimation of uncertainties relating to the global health pandemic from COVID – 19:

Based on the estimates, the company expects that the impact of COVID-19 on the operations of the company will not be significant.

Fair Valuation techniques used to determine Fair Value

The Company maintains procedures to value its financial assets or financial liabilities using the best and most relevant data available. The Fair Values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the Fair Values :

Fair Value of Cash and Cash Equivalents, Trade Receivable and other Current Financial Assets and Liabilities are approximate at their carrying amounts largely due to the short-term maturities of these instruments.

Fair Value Hierarchy

The Company uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation techniques:-

Level 1 :- Quoted prices / published Net Assets Value (unadjusted) in active markets for identical assets or liabilities. It includes fair value of financial instruments traded in active markets and are based on quoted market prices at the Balance Sheet date and financial instruments like mutual funds for which Net Assets Value is published by mutual fund operators at the Balance Sheet date.

Level 2 :- Inputs, other than quoted prices included within level 1, that are observable for the asset or liability, either directly (that is, as prices) or indirectly (that is, derived from prices). It includes fair value of the financial instruments that are not traded in an active market (for example, over-the-counter derivatives) is determined by using valuation techniques. These valuation techniques maximise the use of observable market data where it is available and rely as little as possible on the Company specific estimates. If all significant inputs required to fair value an instrument are observable then instrument is included in level 2

Level 3 :- Inputs for the asset or liability that are not based on observable market data (that is, unobservable inputs). If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

26 Financial Risk Management - Objective and Policies

The Company is exposed to market risk and credit risk. Risk management is carried out by the company under policies approved by the Board of Directors. This Risk management plan defines how risks associated with the Company will be identified, analysed, and managed. It outlines how risk management activities will be performed, recorded, and monitored by the Company. The basic objective of risk management plan is to implement an integrated risk management approach to ensure all significant areas of risks are identified, understood and effectively managed, to promote a shared vision of risk management and encourage discussion on risks at all levels of the organization to provide a clear understanding of risk / benefit trade-offs, to deploy appropriate risk management methodologies and tools for use in identifying, assessing, managing and reporting on risks, and to determine the appropriate balance between cost and control of risk and deploy appropriate resources to manage/optimize key risks. Activities are developed to provide feedback to management and other interested parties (e.g. Audit committee, Board etc.). The results of these activities ensure that risk management plan is effective in the long term.

INERTIA STEEL LIMITED
Notes to the Financial Statements for the year ended 31st March, 2021

26.01 Market Risk and Sensitivity:

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprise three types of risk: foreign currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits and investments.

(a) Foreign Currency Exchange Risk and Sensitivity

Foreign exchange risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign currency exchange rates. The Company is not involved in Foreign Currency Transaction and therefore the Company is not exposed to Foreign Currency Exchange Risk.

b) Interest Rate Risk and Sensitivity :

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However, the Company does not have any financial instruments which is exposed to Interest Rate Risk.

c) Commodity Price Risk :

The Company's revenue primarily involves sales of goods and does not involve any service. Therefore, the Company is exposed to Commodity price risks.

26.02 Credit Risk :

Credit risk is the risk that a counter party will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and other financial instruments.

a) Trade Receivables :

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings with the Company for extension of credit to customers. The Company evaluates the concentration of risk with respect to trade receivables as low. Therefore, the Company does not expect any material risk on account of non performance by any of the counterparties.

b) Financial Instruments and Cash Deposits :

The Company considers factors such as track record, size of the institution, market reputation and service standards to select the banks with which balances are maintained. The Company does not maintain significant cash in hand. Excess balance of cash other than those required for its day to day operations is deposited into the bank.

27 Based on the estimates, the company expects that the impact of COVID-19 on the operation of the company will not be significant.

28 The Management and authorities have the power to amend the Financial Statements in accordance with section 130 and 131 of the Companies Act, 2013.
